Fire Strike Slot Review

If you enjoy playing online slots that mix traditional symbols with the latest features, then you're going to love reading our Fire Strike slot review.

Powered by Pragmatic Play, the Fire Strike video slot comprises five reels.

Dice, BAR and lucky 7 symbols all sizzle in flames when you match them across one of the game's 10 paylines. The action in the Fire Strike online slot really starts to heat up with the appearance of the game logo symbols.

Flambéed Fire Strike symbols can

complete winning combinations. In addition to substituting powers, these special symbols can lead to wins of up to 25,000x your stake.

Be sure careful to get your

fingers burned, as the medium-to-high volatility levels of the Fire Strike slot machine could leave you feeling hot under the collar between winning spins.

Keep reading our

Fire Strike online slot review to discover if it's as hot as it looks.

Get Ready for a

Warm Welcome

The Fire Strike slots game is the work of Pragmatic Play. This Malta-based company is quite capable of launching slots with stunning 3D effect graphics and multiple features. However, they have designed the Fire Strike slot machine to appeal to gamblers who like relatively straightforward design and gameplay.

In terms of

graphics, our reviewers found that the Fire Strike online slot looks far more impressive than most games inspired by such a classic theme. We're used to seeing very

basic artwork when it comes to online slots that feature symbols like BARs and lucky 7s. Fire Strike bucks that trend.

When you play the Fire Strike slot online, you will see pin-sharp versions of these classic icons sharing space with dice, playing cards, poker chips, and stacks of banknotes. In all, it's a bright and cheerful set of symbols, and the surroundings are also very impressive.

Highly realistic animated flames flicker to either side of the reels, but your eye will inevitably be drawn to the table of bonus prizes listed at the top of the game screen. This table reveals how much you will win when Fire Strike logos stop on the reels. Be patient, as we will reveal how to get hold of these bonus prizes a little later in our review.

The Fire Strike slot machine has been optimized for smartphones and tablets, as well as desktops. All the style, control options, and even the funky disco-inspired music carry across all platforms.

Adding Fuel to the Fire

With minimum and maximum bets of 0.10 and 50.00 per spin, our reviewers reckon that most of you will be able to play the Fire Strike slot for real money. As mentioned, this is a medium-to-high volatility game, but its RTP of 96.5% suggests that it won't burn a hole in your bankroll too quickly.

Put simply, this means that you may have to wait a little longer to land winning combinations, but payouts tend to be higher than those in lower volatility games.

In common with other Pragmatic Play slots, you have a wide selection of command and control options. You can play the Fire Strike slot in automatic mode, speed the gameplay up, or modify the soundtrack to cut out the mechanical effects. On a mobile or a laptop? Then try the battery saver option and enjoy the Fire Strike slot for longer sessions without having to plug into a power socket.

A Toast to Winning

Combinations

Click the little 'i' button below the reels to launch the payable. This pay table lists how much you will win when three or more matching symbols are matched across a win line from the leftmost reel.

The BAR symbols pay the least, with up to 50x your line bet on offer. The picture symbols pay mid-range prizes, while blazing 7s are unsurprisingly worth the most. Match fiery red 7s across a payline on three, four, or all five reels to win 150x, 300x, or 1,000x the line bet respectively.

Light up the

Bonus Features

If you are hunting for features such as free spins, wild multipliers, or prize-picking rounds, then our review team can tell you now that the Fire Strike slot doesn't have them.

The Fire Strike slot machine logo comes in two flavors. One is a wild symbol. It's easy to spot, as it has the word 'Wild' emblazoned across it. Not only does this do the usual job of acting as others to complete winning combinations, it also pays out prizes of up to 2,000x the line bet when crossing a payline without substituting for anything.

Keep an eye out for the plain version of the Fire Strike slots game logo. The table of bonus prizes has a full list of what you win when this appears in six or more positions at once. Just six logos award an instant prize equal to your total bet. Filling all 15 positions of the Fire Strike slot machine with the game's logo will result in a win 5,000x your stake.

Hold on, though, as it gets even better. If you are fortunate enough to see the Fire Strike wild symbol filling all 15 spots, you claim the main jackpot of 25,000x the stake. That's a huge 1,250,000 at the maximum bet. Smokin'!

It's not the most

revolutionary, or groundbreaking slot that we have ever seen, but it doesn't need to be. Pragmatic Play aims to deliver a classic slot machine for gamblers who appreciate fast-paced action and huge winning potential.

right on the head. You will want to land both versions of the Fire Strike slots game logo as often as possible to boost your win rate.
